SCHIFFSAHRPLAN 2019 Norddeich-Juist

The image displays a comprehensive shipping schedule for the year 2019, covering the route between Norddeich and Juist. The schedule is organized into 13 columns, one for each month from January 2019 to January 2020. Each column contains a grid of departure and arrival times for various days of the week (Di, Mi, Do, Fr, Sa, So). The ships used are consistently named, such as 'Mö', 'Ri', 'Do', 'Fr', 'Sa', and 'So'. The layout is compact and uses color-coding to distinguish between the months. The bottom of the image features the 'FRISIA' logo and the website 'www.reederei-frisia.de' for online tickets.
